

PRODUCT 01 / ENGINEERED WOOD COMPONENT

Compressed Pallet Blocks

Wood chips compressed under controlled pressure and temperature for dependable density, grip, and dimensional consistency.

KEY SPECIFICATION

100 x 100 x 60 / 75 / 95 / 140 mm

TYPICAL APPLICATIONS

- Wood pallet manufacturing
- Automated and manual assembly
- Export pallet components

PERFORMANCE BENEFITS

- High nail retention
- Dimensional stability
- No insect infestation
- No cracking
- Mould resistant
- ISPM 15 ready
